**SECOND STATUS INQUIRY**

Hon. Commissioner of Patents and Trademarks  
PO Box 1450  
Alexandria, VA 22313-1450

Sir:

No communications concerning this application has been received since Applicant received the "Updated Filing Receipt" mailed to us on November 27, 2001.

A first Status Inquiry to the PTO to determine where the expected Office Action was in the above matter. The PTO did not respond. The Office missent the Office Action of Nov. 2, 2003 to an old address.

Applicant had filed a Change of Address for the new address almost a year before the issuance of the Office Action. This Office Action has now just come to our attention by our own investigation of the PAIR database.

The application has not received any notice of abandonment. On or about Aug. 1, 2005 the undersigned called the Examiner to ask for reissuance of the

Office Action with a new date and to mail it to the correct address. A message with left without being able to contact the Examiner.

No response has since been received. Reissuance of the Office Action to the correct address and resetting of the date of mailing of the same is requested.

Respectfully submitted,

Daniel L. Dawes
